

New to Medicaid? Struggling to develop a strong Medicaid system?

Let us help! The Ohio Chapter of NAELA will host a one-day practicum to walk you through the best practices for processing a Medicaid case, including defining the roles of attorneys and support staff. This practicum is ideal for attorneys who are new to Medicaid, paralegals, support staff or seasoned attorneys who simply wish to refine their practice. Stick around for the UnProgram to join a substantive discussion of Medicaid and other Elder Law issues with other Ohio attorneys.
